

**PRESIDENTIAL
CLIMATE COMMISSION**
TOWARDS A JUST TRANSITION

AGENDA:
JUST TRANSITION FRAMEWORK CONSULTATION
EMALAHLENI MUNICIPALITY, MPUMALANGA, 07 MARCH 2022

About The Presidential Climate Commission

The Presidential Climate Commission was established by President Cyril Ramaphosa in 2020 to advise on the country's climate change response and pathways to a low-carbon, climate-resilient economy and society.

The first of these responses will be in the form of **a Just Transition Framework in 2022** which will be a plan for achieving a just and equitable transition to net-zero CO₂ emissions in South Africa and set out the actions that social partners will take over the short-, medium, and long-run.

The Just Transition Framework presents an opportunity to start dealing with issues relating to governance mechanisms, economic diversification tools, labour market interventions, and social support.

We invite you to join the **first workshop on 07 March 2022 from 09h00 to 15:30 at the Emalahleni Civic Centre, Emalahleni** to add your voice to this important discussion.

The event will be livestreamed on our website:: <https://www.climatecommission.org.za/events>
Click on the "Stakeholder engagement" tab.

Alternatively, join us on Facebook: <https://fb.me/e/1kCDIVqQo>.
